

Hello friends of The Children's Heart Lane!

We are excited to announce our 4th annual Shot Through the Heart Sporting Clays Charity Shoot! River Breaks Ranch will be hosting us on October 15th, 2022 for an afternoon of shooting, followed by an evening of fun with horse races, auctions, dinner and after-party.

The Children's Heart Lane is a private 501(c)3 foundation started in Amarillo, Texas in 2018. The founders saw an incredible need in our area for families with chronically ill children that are required to travel out of the Texas Panhandle to receive medical care and treatment. As you can imagine, the financial burden placed on families with chronically ill children can be overwhelming, especially as we face the current difficulties as a nation. Then add to the stress of not only having to be away from home, but the additional travelling expenses required...lodging, food, gas, and unfortunately, astronomical hospital parking fees. The Children's Heart Lane steps in to help ease a small part of the financial burden for those families to assist them with some of these extra unexpected expenses.

Over the past 3 years, The Children's Heart Lane has been able to provide financial assistance to many families from the Texas Panhandle that have had to take their children to Cook Children's Hospital in Ft. Worth, Children's Medical Center in Dallas, The Children's Center at Presbyterian in Albuquerque, Texas Children's Hospital in Houston and Boston Children's. We have also been able to provide meals and supplies to the Ronald McDonald House for families living there while their children receive medical treatment. In December 2020, we were able to provide an abundance of gifts to children and their families spending their Christmas in-patient at BSA Pediatrics in Amarillo.

We are coming to our friends, community leaders and business owners to partner with us in our mission to help ease the financial burden for these families. There are very few local organizations like ours that are available to serve this unique demographic of children in our local community.

Please find attached/enclosed our 2022 Shot Through the Heart Sporting Clays Shoot packet, and if you have any questions, please feel free to contact our Executive Director Jamie at jamie@childrensheartlane.org or 806-674-5430 at any time.

Sincerely,

Bob Snyder
