## WHY DONATE? *About us*

### A Non-Profit For The Animals

Gracies Project is a 501C3 non-profit organization dedicated to rescuing and rehabilitating animals in the Texas Panhandle who would otherwise be at high risk of euthanasia. We provide spay/neuter, shots, vet care, housing, and other necessary essentials until our animals are rehabilitated and adopted by a forever family. Our organization relies solely on the communities help to volunteer or help fund our endeavors so that we may continually save and help our communities forgotten animals.
